### Peter and Melissa Busse

Peter Busse has lived in California since 1979. Before that he made his home in Chicago. He went to CSULB for a finance degree, and is currently a warehouse manager. His favorite bands are The Clash and Christafari. He enjoys eating burritos, cheeseburgers, lasagna, steak, and food in general. His favorite vacation spot is San Mateo campsite. He was led to lead MarriageCare, along with his wife, by *“being a participant in MarriageCare for years, and that led him to become very passionate about growing with the Lord and allowing Him to be the center of our marriage.”*

Melissa has lived in California her entire life. She went to school and became a Registered Nurse. She worked as a critical care nurse for 16 years, and the last 2 years she has been ‘rockin’ in the free world.’ Her favorite band is David Bowie. Her favorite food is tacos. Her favorite vacation spot is Refugio Beach. She was led to lead MarriageCare, along with her husband, because *“it has been such a blessing in our marriage and my personal walk with the Lord, so when Pastor Rex asked Pete & I to help lead the class, it was an easy transition and wasn’t hard to say yes.”*
